SEEDS OF POISON

NATIONALITY: JEW

His both certificate says:
Father's nationality - Jewish
Mother's nationality - Jewish
His own passport will therefore say: Nationality - Jewish

... ..

Is there a Jewish school for him to attend?
Is there any place for him to learn his People's language, his native tongue?
Is there any Jewish organization, club or center for him to join?
Can he practice his religion as the Christians and Muslims practice theirs?
Can he speak out for the rights of his people?
Can he openly be proud to be a Jew?
